**REQUEST TO CORRECT FILING RECEIPT**

Dear Sir:

Applicant respectfully requests the Patent Office to issue an updated filing receipt to reflect the updated status of the priority application related to the captioned application. Present application is a continuation of base US Patent Application 08/951,556, filed October 16, 1997. The base application has been revived under granted petition filed February 22, 2001. A copy of the petition and the Corrected Decision granting the petition, dated July 25, 2001, are enclosed.

Accordingly, it is requested that a corrected filing receipt be issued which deletes from the continuation data field the term "ABN" following the filing date of the continuation application.

Also, it is requested that the information regarding the attorney of record be corrected. The original application had members of the firm of Blake, Cassels & Graydon LLP appointed as agents of record. The full address of the firm is:

BLAKE, CASSELS & GRAYDON LLP  
#27871  
Intellectual Property Group  
Box 25  
Commerce Court West  
Toronto, Ontario  
Canada  
M5L 1A9

For the continuation application, the power of attorney was not amended. The firm of Larson & Taylor was simply the filing agent for the continuation application. A copy of the power of attorney and the appointment of associate agent for the original application are enclosed. Also, it is requested that the Atty. Docket Number be updated, replacing "51636/142" with --51636/223--.

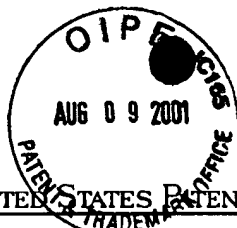

A marked-up copy in red noting the requested changes to the filing receipt is enclosed.

We look forward to receiving the revised filing receipt. Should any official of the Patent Office wish to contact us regarding this matter, please call Robert H. Nakano at (416) 863-2785.
